

QUICK-FIT

THE WORLD'S FASTEST DUCTING

Perfect for Your Concrete Dust Applications

- **Very Fast Delivery**

Most jobs ship directly to your site in under 4 days. Individual parts can often ship in one day - with no expedite fees.

- **Easy to Install**

Lower skilled workers can install Quick-Fit. It can also be installed using manlifts, rather than large expensive cranes.

- **Local Dealer Support**

Our dealers can provide design and layout assistance.

- **Available in Galvanized, Aluminum and Stainless**

- **Faster Installations**

Installs in 30% less time than traditional ducting and 30% less labor is required.

- **Superior & Re-useable**

Laser-welded seams are leak-tight and smooth. Re-usable, easy to modify and easy to move as your needs change.

- **Easy to Clean out**

Overfill conditions can be easily and quickly corrected. Sections can be easily removed, cleaned out, then replaced - without tools

- **Adaptable to Existing Ductwork**

QUICK-FIT

BENEFITS

- 30% less labor, 30% less downtime for installation.
- Easy to clean out. Sections can be easily removed, cleaned out, then replaced - without tools.
- Can be installed with manlifts, rather than large expensive cranes.
- Adaptable to existing ductwork.
- Re-useable, easy to modify and easy to move as your needs change.
- Overfill conditions can be easily and quickly corrected.
- Heavy automation and large volumes make Quick-Fit less expensive. With the labor saved on installation, the installed cost is significantly cheaper than traditional ducting.
- Nordfab provides quick delivery times and lower freight costs.

- Laser Welded pipe in diameters from 3" to 24"
- Branch fitting in all sizes and shapes
- Elbows 30°, 45°, 60°, 90°
- Larger custom sizes and special adapters
- Blast Gates, Diverter Valves, Hoods, Manifolds
- Galvanized, aluminum, stainless or stainless+

QUICK-FIT

THE WORLD'S FASTEST DUCTING

CONCRETE PLANTS

Nordfab's Quick-Fit is the new standard for concrete dust applications. Quick-Fit clamp-together ducting eliminates rivets, screws, welds and flanges. The clamp-together design allows installations, clean-outs and changes to take only a fraction of the time it takes for traditional ducting. Nordfab Quick-Fit's leak-tight longitudinal seams provide smooth, no hang-up interiors.
